Our brass urns feature hand-engraved brass designs in a variety of finishes.

HANDCRAFTING

The handcrafting process utilizes a sand-casting technique that is hundreds of years old. Depending on the design, these urns may go through as many as seven different processes. Throughout these processes, every urn is handled individually. This handcrafting process ensures that no two urns are exactly the same.

Keepsakes

Keepsakes are often shared with all family members and close friends to remember their loved one and to celebrate life. Consider a personalized keepsake for every member of the family to cherish.

Keepsakes, like urns, can be used to preserve cremated remains. However, this is not their sole purpose. Oftentimes in lieu of cremated remains, keepsakes can be used to preserve a pinch of soil from the burial or scattering site, or other items such as a small flower petal.

Keepsakes make wonderful gifts to any service participants, close friends, and family members.

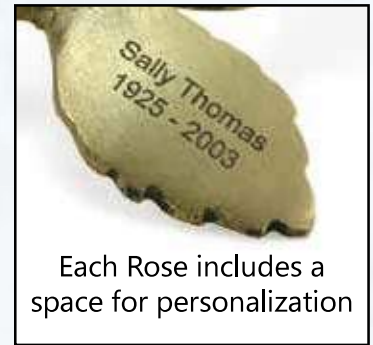

Keepsakes

Blue velvet cases and draw-string velvet bags are available for all keepsakes (at additional cost.) These can be used for display or storage purposes.

Keepsake options vary by urn. However the two most widely available are the personal keepsake and the heart keepsake (stand sold separately.) Like urns, keepsakes can also be custom engraved with the name of a loved one, dates, personal messages, or imagery.

Keepsakes

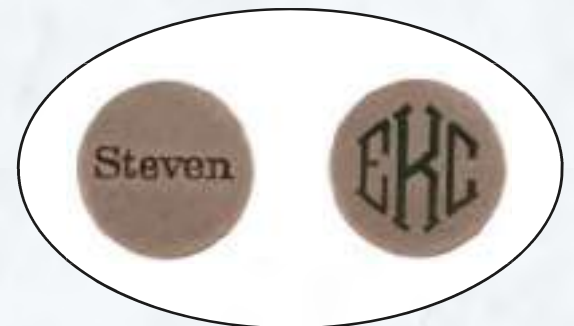

Rose keepsakes add a touch of elegance to your memorial display. The bud of the rose can be removed and has a small compartment for remains or burial site items such as soil, petals, or leaves.

Engraving options are also available for the back of a petal. Personalize a rose keepsake with the name of the deceased or initials.

Rose keepsakes are available in yellow, pewter, crimson, white, pink, bronze, and lavender.

Keepsakes

Matching picture frame keepsakes are available for some urns allowing for the inclusion of a photo of your loved one in your memorial display.

Small personal keepsakes can be used for remains, burial site soil, or any other items that preserve the memory of your loved one. The tops of these keepsakes can be engraved with the name of your loved one or their initials.

Keepsakes

Memory light keepsakes are a unique way to remember a loved one. Memory lights are available in pewter or bronze.

These keepsakes can be used for the remains of a loved one or some other personal item that reminds you of your loved one. The light of your loved one can continue to shine.

Bronze and pewter keepsakes can be custom engraved with the name of the deceased, dates, and imagery.
